Terms and Conditions of Service

Effective Date: March 10, 2026

Last Updated: March 10, 2026

1. Acceptance of Terms

By accessing, registering on, or using the Vidcashstream Platform ("Platform", "Service", "we", "us", or "our"), you ("User", "Member", "you") agree to be legally bound by these Terms and Conditions ("Terms"). If you do not agree to these Terms in their entirety, you must immediately cease use of the Platform and cancel your subscription.

We reserve the right to amend these Terms at any time. Continued use of the Platform following notification of amendments constitutes your acceptance of the revised Terms.

2. Eligibility and Registration

To access the Platform and its reward features, you must:

- Be at least 18 years of age or the legal age of majority in your jurisdiction
- Provide accurate, complete, and current registration information
- Maintain a valid and active subscription in good standing
- Comply with all applicable local, national, and international laws and regulations

The Platform reserves the right to refuse registration or terminate accounts at its sole discretion, without notice, for any violation of these Terms.

3. Subscription

3.1 Mandatory Subscription

Access to the Platform's video content and reward system is conditional upon maintaining an active paid subscription. Free access is not available. Your subscription must remain active and in good standing to be eligible for daily video rewards.

3.2 Daily Video Access

Upon successful subscription, you will receive access to a curated selection of videos each day. These videos are made available on a daily cycle, and access to new videos resets at a specified time each day ("Daily Reset"). The number of videos available per day is determined solely by the Platform and may vary.

3.3 Video Exhaustion

Once you have watched all videos available for the current daily cycle, no additional videos will be made available until the next Daily Reset. You must wait for the reset period to elapse before additional videos become accessible. No exceptions, extensions, or carry-overs are granted.

4. Reward System

4.1 Earning Rewards

Rewards are earned by watching eligible videos in their entirety as defined by the Platform. Each eligible video carries a reward value that is displayed prior to viewing. Rewards are only credited to your account upon successful completion of the full video and timely claiming of the reward.

4.2 Reward Claiming — IMPORTANT

YOU MUST CLAIM YOUR REWARD IMMEDIATELY AFTER WATCHING AN ELIGIBLE VIDEO. Failure to claim a reward before the next Daily Reset will result in permanent forfeiture of that reward. The Platform does not carry over unclaimed rewards under any circumstances.

Specifically:

- Rewards that are not claimed before the Daily Reset are permanently forfeited
- No retroactive credit, appeals, or exceptions will be granted for unclaimed rewards
- It is solely the User's responsibility to claim rewards promptly after each video
- The Platform bears no liability for rewards lost due to User inaction or technical difficulties on the User's end

4.3 Reward Valuation

The Platform reserves the right to adjust the reward value of any video at any time without prior notice. Reward values are not guaranteed and may fluctuate based on availability, platform policy, or other factors at the Platform's sole discretion.

5. Payments and Withdrawals

5.1 Monthly Payment Cycle

All accumulated rewards are processed and made available for withdrawal on a monthly basis. Rewards earned during a given calendar month will be processed within the first business week of the following month, subject to verification and compliance checks.

5.2 Withdrawal Restrictions

The following withdrawal rules apply strictly:

- Users are permitted to submit ONE (1) withdrawal application per calendar month
- Withdrawal applications open only once per month at the Platform's designated payment window
- Multiple withdrawal requests within the same calendar month will not be processed, and excess requests will be automatically rejected
- The Platform reserves the right to defer, withhold, or reject withdrawals where fraudulent activity, policy violations, or suspicious behaviour is suspected

5.3 Minimum Withdrawal Threshold

A minimum accumulated reward balance may be required before a withdrawal application can be submitted. The applicable minimum threshold will be displayed on your account dashboard and is subject to change at the Platform's discretion.

5.4 Processing Time

Approved withdrawals will be processed within 7 to 14 business days from the date of approval. The Platform is not responsible for delays caused by third-party payment processors, banking institutions, or other intermediaries.

5.5 Taxes and Deductions

Users are solely responsible for declaring and paying any applicable taxes on rewards earned through the Platform. The Platform may deduct applicable withholding taxes or transaction fees where required by law.

6. Prohibited Conduct

The following actions are strictly prohibited and will result in immediate account suspension or permanent termination, as well as forfeiture of all accumulated rewards:

- Use of bots, automated scripts, VPNs, or any technology to simulate video views
- Creating multiple accounts to circumvent daily limits or increase reward earnings
- Manipulating, tampering with, or attempting to exploit the reward crediting system
- Sharing, selling, or transferring account credentials to any third party
- Engaging in any fraudulent, deceptive, or misleading activity on the Platform
- Attempting to reverse-engineer, hack, or compromise any part of the Platform's infrastructure
-

7. Account Suspension and Termination

The Platform reserves the right, at its absolute discretion, to suspend or permanently terminate any account that:

- Violates any provision of these Terms
- Engages in conduct deemed harmful, fraudulent, or disruptive to the Platform or its users
- Has an inactive subscription for a period exceeding 30 consecutive days
- Provides false or misleading registration or payment information

Upon termination, all accumulated rewards that have not been paid out will be permanently forfeited. The Platform will not be liable for any loss arising from account termination.

8. Limitation of Liability

To the fullest extent permitted by applicable law, the Platform, its owners, directors, employees, agents, and affiliates shall not be liable for:

- Any loss of rewards resulting from the User's failure to claim in time
- Technical errors, server downtime, or interruptions affecting video availability or reward crediting
- Loss of data, revenue, or business opportunities arising from use of the Platform
- Any indirect, incidental, consequential, or punitive damages of any kind

The Platform's total aggregate liability to any User shall not exceed the total subscription fees paid by that User in the three (3) months preceding the event giving rise to the claim.

9. Privacy and Data Protection

Your use of the Platform is also governed by our Privacy Policy, which is incorporated into these Terms by reference. By using the Platform, you consent to the collection, processing, and use of your personal data in accordance with our Privacy Policy and applicable data protection laws.

11. Modifications to the Service

The Platform reserves the right to modify, suspend, or discontinue any aspect of the Service — including video availability, reward structures, subscription pricing, and payout schedules — at any time, with or without notice. Your continued use of the Platform following any such modification constitutes your acceptance of the change.

12. Entire Agreement

These Terms, together with the Privacy Policy and any additional guidelines or rules posted on the Platform, constitute the entire agreement between you and the Platform with respect to your use of the Service. These Terms supersede all prior agreements, representations, and understandings.

By subscribing to and using the Vidcashstream Platform, you confirm that you have read, understood, and agreed to these Terms and Conditions in full.
